Testimonials

"Dear Linda,

Thank you very much for a lovely holiday, The villa was all that we could wish for,

We would not change a thing 10 out of 10 perfect. Perhaps next year we will go again if you still have the villa."

Alan & Janet Smith - Mar. 2006

"Linda,

The home was just wonderful. I must say, the attention to detail you have put into your home is most certainly noticeable by all. We had 9 people staying there last week, and the home was not one bit cramped, as we all had enough room to spread out and enjoy everything.

I will say, we will most certainly rent this home again. You have earned a customer for life, any time we visit the home. I know my parents are already talking about doing another trip next year, and getting the same house, as they just loved the home.

Great job with everything Linda. We are so happy and blessed we were able to use your home, and appreciate

"Linda

We loved the house. It was lovely and all of our guests were stunned at what a lovely place I had found. Everyone commented on the wonderful beds and how well they slept, and the house was very close to all the activities we wanted to do. The heated pool was a blessing, and we really enjoyed ourselves. We especially appreciated the baby monitor and crib - they saved us a lot of packing."

"Hello Linda,

Your villa is very difficult to fault. We have visited the Orlando area 11 times and this trip ranks among the best for sure, certainly the best accommodation. The unlimited use of the phone and internet were a big benefit for the kids (teenagers!) as were the playstation, DVD player and pool table. My wife (also called Linda) and I relaxed most evenings in the spa and we appreciated the wildlife/livestock and the privacy to the rear."

"Hi Linda,

Sorry I missed your call. We really loved your place! It was a great. As Mary Poppins might say, your home was "practically perfect in every way!" Take care"

"We have stayed in the Orlando area a number of times and, with a party of five, usually rent a house rather

than use hotels. White Heron is probably the best villa that we have used. The location was ideal for us and the atmosphere very peaceful after a day at the convention centre (or theme parks). The furnishings were exceptional and the layout excellent. We would have no hesitation in recommending the property to anyone visiting the area and hope to be in contact again in the future. Kind regards to you and your family."

Hi Linda,

"Thanks for the email, we thoroughly enjoyed our stay at the Blue Heron Villa, everything was beautifully clean and well presented with the taste in decor being impeccable. We particularly enjoyed having access to the internet and with the addition of a games room it enabled us to have a good rest at the end of a hard day at the theme parks whilst the kids played pool and darts!

There was easy access to all the local amenities and your help prior to the holiday made it something very special. Im sure Blue Heron must be one of the nicest villas in Kissimmee, well positioned and particularly well looked after and we wish you every success in your business with both villas.

Many thanks for all your help"

"Hi Linda,

Wow! We had a FANTASTIC holiday! And much of this was due to the wonderful, spacious villa. With 4 thirty-somethings, two 50+ grandparents and a couple of children, 7 yrs and 8 years, we couldn't have found anywhere better. The pool, the games room, the internet access, the outlook, the location, privacy and the wildlife all added so much fun to a great couple of weeks.

All best wishes and thanks again."

"Just a short note to thank you for letting us use your villa it was great. The wildlife out the back was brilliant and my son made full use of the pool table. We will be booking next year,s vacation shortly after xmas and do hope that the villa will be available next year.

Wishing you a merry xmas and hope to contact you early next year. once again, many thanks."

"Hi Linda,

The villa was beautiful, more room than I ever expected. We were very impressed with the standard of decoration and the personal touches made it very comfortable. The children enjoyed the games and the men enjoyed the pool but more importantly the villa as a place we felt relaxed and able to unwind, we spent a few days just lazing around the pool having exhausted ourselves with the theme parks.

I have recommended this villa to my colleagues and family and im confident we will be returning within a year or two, I cant find any fault with it at all."
